## Benefits for students

- ▶ Higher graduation rates associated with participation in CSU Summer Session.
- ▶ Students earn a **higher term GPA** in summer, on average.
- ▶ Students continually **move toward graduation** by earning credit in summer.
- ▶ **Accelerated Programs** provide a pathway to early graduation in select programs.
- ▶ **Reduced nonresident undergraduate summer tuition, summer need-based financial aid, prorated on campus housing, and plentiful, flexible campus jobs.**

## Summer opportunities for faculty and their families

- ▶ **Learning opportunities abound** in classrooms, laboratories, community settings, abroad, in the field and across CSU's many campuses and centers. Consider how you can contribute and benefit!
- ▶ **Supplemental pay for summer teaching.** Check with your department about opportunities to teach and payment arrangements.
- ▶ **Further your education** using the [Employee Study Privilege](#).
- ▶ **K-12 summer programs** are available throughout the summer for younger learners. A great benefit for parents and caregivers who work through the summer months.
